Summer Camp Legacy

Founded in 1908, Ecole Lemania has over 100 years of experience and expertise welcoming students. We provide a Swiss educational experience to summer camp students from around the world with our French and English language classes.

Ideally located in the centre of Lausanne, Lemania Summer Camp combines language studies with activities and boarding school accommodation to provide a perfect summer experience. We make sure your child has an enriching time, a summer that is unique and unforgettable.

Each morning, students can study for a IELTS test or follow an intensive French or English language programme of 17.5 hours per week. This year we have introduced a new maths programme Saturday mornings. Afternoons and evenings are filled with exciting sports and activities to enrich this rewarding summer in Switzerland.

“I stayed at Lemania for a fortnight and it was amazing. To start with, the rooms are very nice and spacious with a wonderful view of the lake. The showers and toilets are always clean and very close to the rooms. The food is really good and there is a variety of different meals. The people are very friendly and welcoming. The French teachers are very helpful and patient and they always offer fun activities. My French has really improved here. The activities we do during the day are really fun and very interesting. I’ve done some cool sports that I never thought I’d do. I’ve made lots of new friends and I’m really happy about that. Overall, my two weeks here have been great and I’ve had a lot of fun.”

“Hello, my name is Lara and I’m 14. The 2 weeks I spent here were incredible. I really enjoyed the camp. I’ll definitely be coming back next year. I’ve learnt lots of new things, which is great, and the activities are so much fun. I’ve never been to a camp with such cool and amazing activities. The teachers are fun and amazing, such nice people to hang out with.”

“I really enjoyed the summer camp and improved my French a lot. The teachers are great and I don’t feel judged when I make mistakes with them. I’ve done a lot of activities that I’ve never done before in my life, like go-karting, mountain karting and paragliding. I also really like the instructors/leaders, they are very fun and friendly.”

Regina, Portugal

“I loved my experience at Lemania summer camp, I made lots of friends and have many incredible memories. The friends I made during the camp will always be dear to me. I hope we can meet again in the future to create even more incredible memories together. The teachers at the school and the activity leaders have been so kind to me throughout my learning experience. I will have fond memories of the car journeys to our destination, singing and chatting every day. With the French I’ve learnt, I hope to continue my studies in French and get into a school that can immerse me in English and French classes. I also want to be able to talk to more people and learn other languages.”
